Education Group Endorses Don Ruzicka for State Representative from the 132nd District

The Missouri School Administrators Political Action Committee (MSAPAC) has endorsed **Don Ruzicka** for the 2008 primary election to the Missouri House of Representatives from the 132nd district. MSAPAC made the endorsement due to his strong support of public education, according to Larry Ewing, President of MSAPAC.

MSAPAC is comprised of four statewide school administrator organizations, including the Missouri Association of School Administrators, the Missouri Association of Elementary School Principals, the Missouri Association of Secondary School Principals and the Missouri Council of Career and Technical Administrators. The membership of these four organizations includes some 3150 school administrators. MSAPAC was founded in 1991 to provide school administrators with the opportunity to become more involved in the political process through endorsements and contributions to candidates who are strong public education supporters.
