MSTA Endorses Ruzicka

MT. VERNON – The Missouri State Teachers Association recently announced that Don Ruzicka has received their official endorsement for the office of State Representative. The MSTA currently serves more than 45,000 educators state wide.

"I believe that education is one of the cornerstones of a free society" said Ruzicka. "We must never forget the importance of teaching solid values and effective skills to the next generation of citizens and decision makers."

Ruzicka has a long affiliation with Missouri's public education system. During his 27 year career as a conservation agent, Don spent countless hours in the classroom teaching children about the value of our natural heritage. As the 23 year spouse of an educator, Ruzicka has first hand knowledge about the impact legislative policy can have on Missouri's hardworking teachers.

"I think this endorsement shows clearly that teachers across the district trust me. They know I will never forget the impact of public education on the local community" said Ruzicka.

Don has been married for 25 years. He and his wife, Julie, live in Mt. Vernon with their daughter, Kelsey.
